

## POSTGRADUATE SUPERVISION CONSULTATIVE FORUM

The school of business Kisumu campus conducted a one day consultative forum on 22<sup>nd</sup> November 2017. The forum brought together all the academic staff from the SOB –Kisumu campus. The forum was facilitated by various facilitators from the school (Alex Jaleha, Dr. Vincent Machuki, Dr. Luther Otieno, Dr. Mercy Flora, Dr. Nixon Omoro, Gerald Ondiek and Joab Ooko). The issues discussed were on quality supervision for the post graduate students at the campus. These included; guidelines for post-graduate research work; organization and presentation of research proposal; organization and presentation of final research report and emerging issues on supervision of post-graduate students. The forum was successful as members exchanged ideas on how to improve on quality research by providing quality supervision. The members promised to organize other forums on quality research from time to time.
